

## Ladybird bookmark

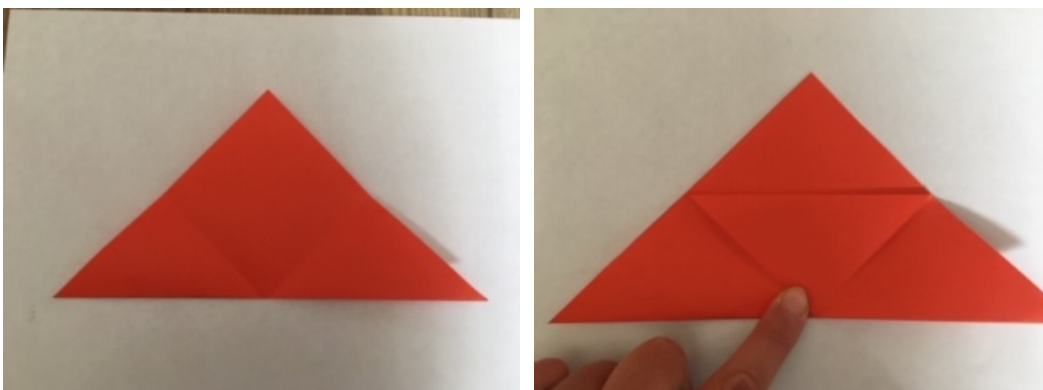

You will need: 15cm x 15cm piece of red card, black card, scissors, glue and some wobbly eyes.

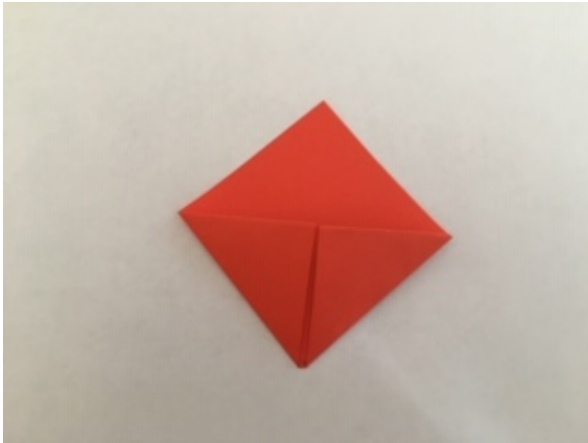

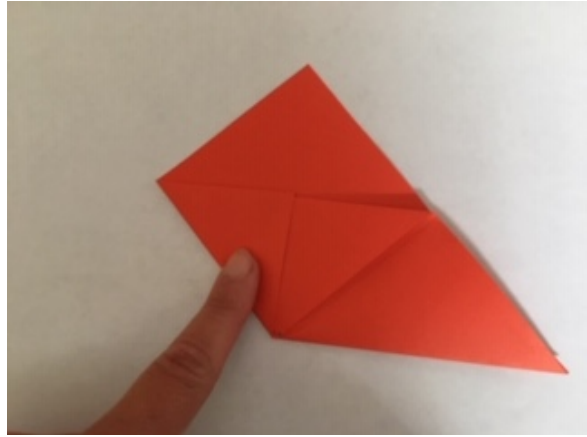

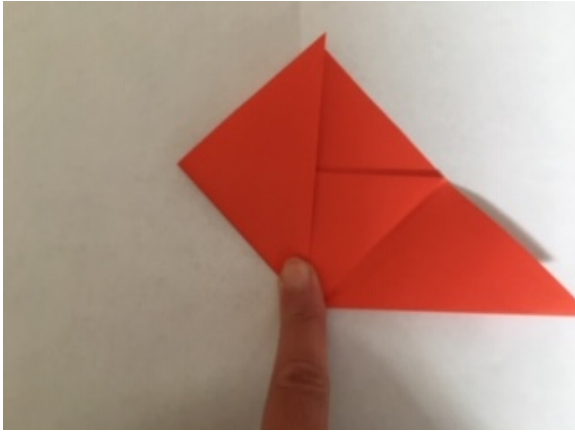

Start by placing your card on a flat surface as shown, take the bottom point and fold it to the top point.

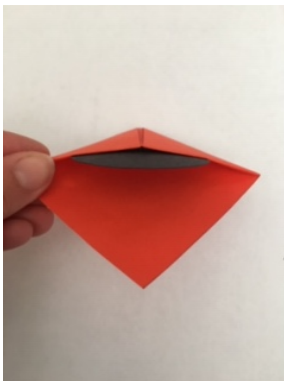

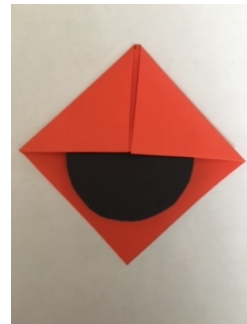

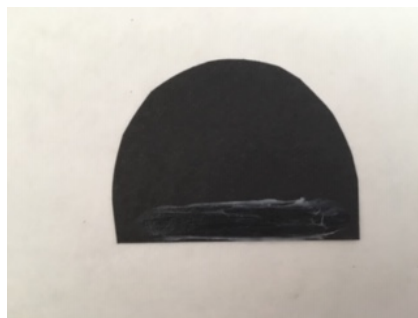

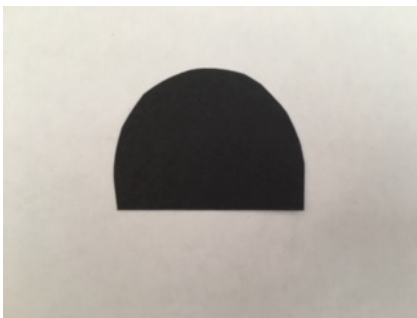

Next take the left bottom point and fold to the top point repeat with the other side

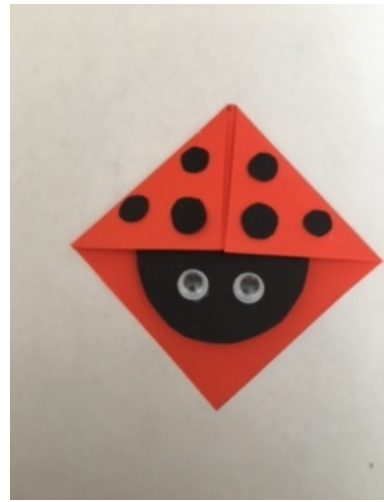

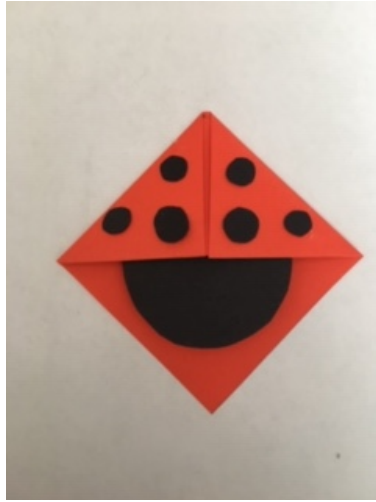

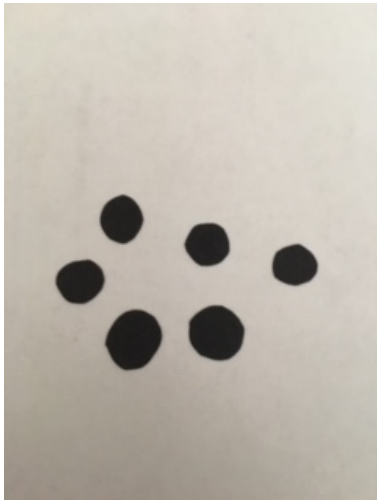

Unfold back to a triangle, now take the top point and fold back to the middle of the bottom.

Fold the left-hand point back to the top and then fold inside the bottom triangle then repeat with the right side.

Next cut out a half a circle to make your face, but some glue along the bottom edge. Place it underneath the fold as shown.

Cut out some spots from the black card and glue in to place add your wobbly eyes and then you bookmark is ready to use in your favourite book.
