

Recycled Découpage gift box.

You will need: a small cardboard box, pva glue, paint brush, printed paper or printed paper bag.

Cut out flowers or shapes from a recycled paper bag. I have used a flowered paper bag, but you can do any theme you like.

Take the lid off your box ready to start to start adding your cut-out shapes. Mix 2 part PVA to 1 Part wate, using a soft paint brush or sponge paint the back of one of your cut outs with the diluted PVA.

Place the shape in to position then gently fold any edges and paint over the top with the PVA mix making sure all the edges are stuck to the lid of the box.

Keep repeating this process to building up a beautiful pattern on your box. You can cover as much or as little of the box as you like. When you are happy with your design cover the entire lid with the PVA mix and leave to completely dry. You can cover as much or as little of
