

Cardboard Tube Bug

You will need:

Cardboard tube

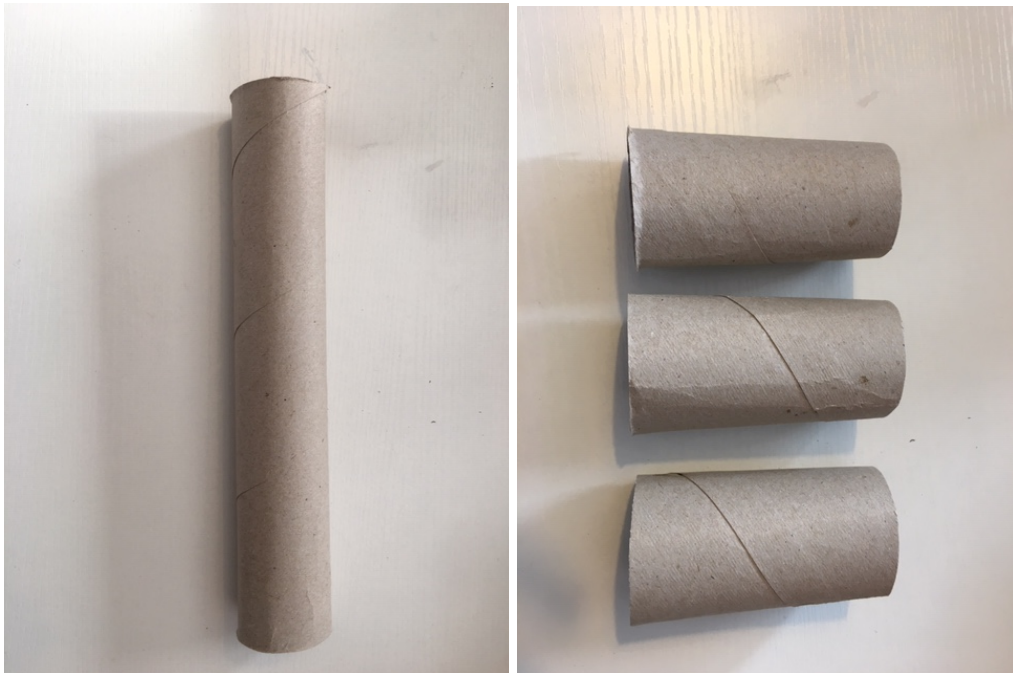

Paint

Colour paper/card

Glue

Scissors

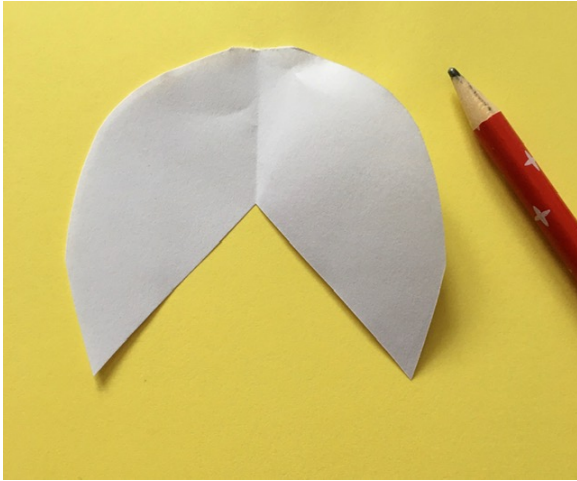

Craft supplies such as glitter, pompoms, wobble eyes.

Start by cutting your cardboard tube in to 3 small tubes.

Next you need to paint them different colours and leave to dry.

While you are waiting for your tubes to dry cut out bug wings from the template.

Decorate your wings with pom-poms, glitter or draw on a pattern.

Glue wings to your painted cardboard tube and leave to dry.

Add eye, nose, legs and antennae using pipe cleaners, bits of card and wobbly eyes.
