

Coffee jar vase or pencil pot.

You will need: jar, paint, masking tape or sticky pack vinyl, ribbon and glue.

To start clean any labels from the jar, then using masking tape wrap a strip around the jar. You could cut out a shape from vinyl if you prefer. Next paint your jar and leave to dry, you will need to give it at least 2 coats.

Once dry peel off tape or vinyl, using different ribbons decorate your jar using glue to hold in place.

Keep adding ribbon in layers' until you are happy with your vase.  
Now your vase is ready for some beautiful flowers.
