

Sunshine windsock.

You will need: Cardboard tube, paint, yellow card or paper, bits of old ribbon, Sellotape, glue, scissors.

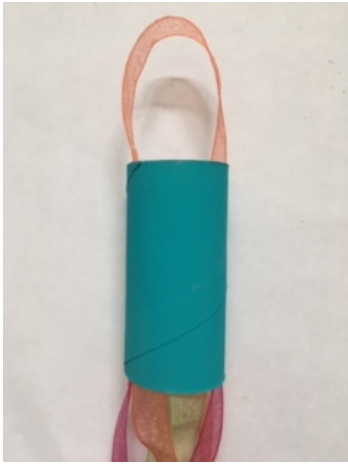

To start paint your cardboard tube in your favourite colour and set to one side to dry.

On a piece of yellow card draw a sunshine shape then cut out and draw a smiley face on.

Cut 6 pieces of ribbon and Sellotape inside the bottom of your tube. Take a smaller piece of ribbon and place Sellotape on both ends and tape to the inside top of your tube this is to make the handle.

Glue on your smiley sunshine to the middle of the tube and your ready to hang your wind sock up in your garden, just rember to bring inside on those rainy days.
