

## Train

You will need:

Train templates

Colouring pencils/pens

Inner cardboard toilet roll/ kitchen roll tubes

Scissors

Card

Instructions:

1/ Print a train template off Cheshire Museums website - choose either a steam or a Diesel engine or do both!

2/ Colour template in, then stick it onto a piece of card to strengthen it ( you could use card from a used cereal box )

3/ Cut out the train shape - it should now be more rigid

4/ Take your tube and carefully cut halfway through it to create slots to push train into - your train's wheels

5/ Use 2 rolls for the steam engine/ carriage and 3 rolls for the Diesel engine

6/ Use a small strip of card to glue onto the engine and carriage in order to join them together

HAVE FUN PLAYING WITH YOUR NEW TOY TRAIN!
